Notice of Election.

State of South Carolina,
County of Edgefield.

Whereas, a petition has been filed with us, and all legal requirements having been met, it is ordered that J. P. Sullivan, G. R. Mayson and H. A. Simmons, constituting the regularly appointed Board of Trustees of Hibler School District No. 10, do hold an election at Sullivan School House on Saturday, May 16, 1914, to vote upon the question of levying and collecting a special tax of three (3) mills on the dollar of all taxable property in said district, proceeds of such levy to be used for school purposes in Hibler School District No. 10.

At this election only such resident electors as return real or personal property for taxation, and who exhibit their tax receipts and registration certificates as required in general elections shall be allowed to vote.

Those favoring the special levy shall cast a ballot with the word "Yes" written or printed thereon, and those opposed to such levy shall cast a ballot with the word "No" written or printed thereon. Within ten days after the election, if a majority of those voting shall favor the special levy, the managers will submit to the county auditor the result of the election. The polls shall open at 8 o'clock a. m., and close at 4 o'clock p. m., and in all respects comply with Sec. 1208 Code of Laws of South Carolina.

ADAM'S BIG BOLL
DROUGHT RESISTING
OTTON.

Two years ago I purchased some improved cotton seed from a Georgia farmer who had bred it up, paying \$1.18 cents per pound for the seed. It is large, deeprooted, resisting drought storm and rust. Have made 664 pounds per acre of lint on thin land by using only 200 pounds of standard guano. On same grade of land with my next best variety only made 300 pounds of lint. Seed cotton from 32 well developed bolls weighs a pound. Will stand drought three weeks longer than other varieties.

I have a limited quantity of seed that I will sell for \$5.00 per bushel. Send in your orders at once.

Helps With the Lessons

At night when the children gather around the sitting-room table studying their lessons for the next day, the telephone often rings. A little neighbor a mile down the road wants help from his school-mates. Children as well as grown-ups get pleasure and profit from the farm telephone. Do you know how little this service costs and how valuable it is?

See the nearest Bell Telephone Manager or write for our free booklet. A postal will do.

Many remedies are recommended for diseases of the nervous system that fail to produce results because they do not reach the seat of the trouble. Dr. Miles' Nervine has proven its value in such cases so many times that it is unnecessary to make claims for it. You can prove its merits for yourself by getting a bottle of your druggist, who will return the price if you receive no benefit.
